*History of The World*

Page 1 : Opening of explanation that long time ago, there was only Allah.

# The Act of Creation

Heaven and Earth were one indivisible unit until Allah's act of creation split them in two. These separated parts are described as having a smoke-like form.

Page 4 : Allah created Malaika, Jinn and Man (Adam) to stay in the newly created world.

<h2>Malaika</h2>  <p>Made of lights Created on Wednesday Always obey Allah Doesn't have freewill Live on heaven</p>	<h2>Jinn</h2>  <p>Made of fire Created on Thursday Some disobey Allah Some obey Allah Have freewill Live on Hell and Earth Corrupting human</p>	<h2>Man</h2>  <p>First man in the world named Adam Made of soil Created on Friday in Heaven Have freewill As Allah vicegerent to live and rule on earth</p>

Page 5 : Allah created Eve (Hawwa) to accompany Adam.

## Adam & Eve (Hawwa)

The heaven is too big for Adam.  
He felt lonely after a while.  
So Allah created a women for him.  
Her name is Eve (Hawwa).  
Eve was very beautiful and soft.  
Allah created her from Adam's rib.  
We are all decendants of  
Adam&Eve
